

10 most adventurous things to do in Dubai

Hardly anyone doesn't know about the fact the Dubai is one of the most adventurous cities in the world. People from all around the world travel to the city to experience the wonders that the city has to offer. From water sports to desert sports, the fun deeds are life-long memorable and one of their kind.

Make your bookings for these adventures now, and [fly to Dubai](#) for an adrenaline rush like never before. You can book tickets for these attractions from their websites or other resources.

1. Atlantis Aquaventure Waterpark

The world's largest waterpark is one of the best family-friendly activity to do in Dubai. With around 105 water rides, you can practically spend your whole day there and not get bored. One of the best parts of the waterpark is that you've full access to all the rides without any extra fees.

2. Ski Dubai

The indoor ski resort in the Mall of Emirates runs throughout the year by maintaining a -1 to 2 degrees Celsius temperature. The ski resort has a high equivalent to a 25-storey building and various other features for skiing. Equipment is provided along with the ticket. You can also play a few games in the Snow Park. Probably the best part about Ski Dubai are the penguins which are let out for the public a few times in a day.

3. Desert Safari

Desert Safari is one of the most adventurous things to experience in the city. You can book various kinds of Safaris depending on the timing, activities and experiences you wish to have. They provide, morning/evening safari, hot air balloon ride, camel safari, 4x4 Safari, BBQ dinner etc.

4. IMG Worlds of Adventure

It is Dubai's first mega entertainments destination. It is the world's largest indoor amusement theme park with various theme zones including Cartoon Network and Marvel. There are currently five themed areas known as "Epic Zones" and a cinema. The five theme areas are 'Marvel', 'Lost Valley', 'IMG Boulevard', 'Cartoon Network', and 'The

Haunted Hotel'. You can go on rides, watch movies, dine and go shopping at the park. There also offer to organize private events and parties.

5. Skydive Dubai

Skydive Dubai operates in two locaitons, the Palm DZ, the premium dropzone and desert DZ, 35 km outside the city. You can choose your choice of skydiving, the most common is the Tandem Skydive. Skydive Dubai also provides lessons for different techniques and forms to experienced skydivers. If you're not a strong hearted person/afraid of heights, you donot need to skip the experience. Skydive Dubai offers indoor skydiving experiences with different packages.

6. Private Yacht

A luxurious experience with friends and family is taking a private yacht in the water of the Arabian gulf. Let the views of Dubai coast and skyline sink in. You can book yachts from various provides according to your needs. You can organize a party or a get together at the yacht as they also including catering, photography and decorations services. A dive in the gulf is an option too, if you're adventurous enough.

7. Scuba Diving

There are various diving experiences throughout the city which you can add to your list of adventures. You can dive in the waters of the gulf to explore the aquatic life or dive in the large aquariums of Dubai with sharks and other animals. Most of the centers provide a little training session before the dive for first-timers.

8. Deep Dive Dubai

Deep Dive Dubai is one of the options of Scuba Diving but offers much more. It is the world's deepest swimming pool for diving (60m). From first-timers to certified divers, anyone can make the most out of the experience. The dive is made more special by the Sunken City underwater which can be explored by the divers. You can explore what a real sunken city looks like.

Even if you don't feel liking exploring the sunken city via scuba diving, you can dine at the restaurants in B2 levels which offer views of the sunken city and other activity through large glass windows.

9. Fly Boarding

Another really cool and memorable experience that will live you thrilled and wanting to try more. Flyboarding is not as difficult as it looks like. People tend to go for a second-time for the adventure with more experience and less fear. If you can do tricks like backflips etc., then your fly boarding experience will be even more breath-taking.

10. Al Fahidi Historical Neighborhood

Explore the traditional Arabic lifestyle of Dubai from mid-nineteenth century to the seventies before the Emirates took over. You will discover buildings built from stones, gypsum, sandalwoods etc. There are many cultural events organized in the town squares. Art exhibitions and cultural centers are commonly found to learn from.
